## NEWS RELEASE

The City of Chelan would like to remind property owners and responsible persons that all sidewalks within the City limits need to be cleared of all snow and ice the length of the property and the width of the sidewalk on all sides by 9:00 am on every day after a snow fall and whenever necessary. If there becomes a build-up of ice and sand it will need to be removed.

City staff will be canvassing city streets to insure that property owners are complying with the code. Please feel free to contact us with any questions at (509) 682-8017.

Thank you very much for your cooperation.
